Gates are Jakcure® treated softwood, right and left hand hanging (when viewed from the outside) as standard designed to match our Venetian Panel.

Height: 1.78m (plus capping).

Width: 1m

Installation

In accordance to manufacturer's instructions.

One of our most popular designs and a favourite of garden designers. The strikingly attractive Venetian panel is a premium panel ideal for creating a dramatic light and shade effect in your garden as it allows light to pass through its horizontal slats. It also offers less wind resistance than solid panels.
