[657660]. - Left hand.

As standard

Gate:
1000 x 1830 mm. Supplied with hinges and latch.

Variation on the classic Palisade panel. Alternate pales have been cut at an angle to create a very pleasing decorative effect. These are ideal for creating light and airy gardens as they allow sunlight through and offer less wind resistance than solid panels.
Constructed from Jakcured softwood, for use with slotted Jakposts.

Installation

In accordance to manufacturers instructions
