NOTE: Hinges will be fitted as standard unless indicated.

If fittings are required to be supplied separately, please tick box.

Customer Name: ........................................
Sales Order No: ........................................
Gate Height: ..............................................
Gate Width: .............................................
Salesman: ................................................

Specification - (1.1m min. - 2.1m max.)
Gates are 1.27m high overall.
Top rail 100mm x 75mm,
Under rail cross braces 75 x 25mm.
Hang and Slam stiles (rounded top) 100 x 75mm,
with both stiles drilled to allow gates to be hung on the left or the right.
Supplied in Natural Jakcured finish.

If gates are automated with underground operators, bottom rail is increased to 95 x 75mm, with stiles cut back to suit.
(See separate drawing)
