Gates:

Gates are Jakcure® treated softwood, right and left hand hanging (when viewed from the outside) as standard, designed to match our Chilham Panel.

Height: 1.78m (plus capping).

Width: 1m

Installation

In accordance to manufacturer's instructions.

It's a challenge to design a solid timber fence that looks equally good on both sides. However, our Chilham panels manage just that, in a unique design, free from horizontal rails that could spoil either yours or your neighbour's view.
