

Canterbury Combi Panel

Jacksons Fencing

These premium contemporary panels combine two of Jacksons' most popular products: horizontal Tongue and Groove with our ever-popular Venetian. Canterbury Combi lends a sleek, modern and linear look to any garden, with the added benefits of privacy and protection from the wind.

- All timber used throughout is superior quality Jakcure® treated softwood guaranteed for 25 years.
- All fixings are stainless steel.
- Designed for use with slotted Jakposts®.
- Panel is frameless for a contemporary design.
- All timber is planed all round.
- Gravel boards are required where panels are in contact with the ground.

Specification

Panel Heights: 1.83m

Panel Width: 1.83m

Panel is frameless for a contemporary look.

Panel Thickness: 51mm

Venetian slats: 45 x 16mm

If you need to reduce the width of a panel on site, a cut down kit is available. Always use Jakcure® End Grain Treatment on any cut timber.

Gates

Canterbury Combi boarded gates are both robust and versatile that will give privacy to any property while complementing the Canterbury Combi panel. Supplied in natural Jakcure® treated finish, right and left hand hanging (when viewed from the outside). Non-standard gates with custom width / heights are available as a special order and are also available as pairs (size restriction applies).

- Elegantly designed to match our Canterbury Combi Panel.
- Galvanised ring latch and adjustable hook and band hinges are included.
- All fixings and fittings are galvanised or stainless steel.
- Wall plates are available for fitting these gates to walls.

Standard Gate Heights: 1.93m

Standard Gate Widths: 1m
