

Premier Diamond Trellis Panel

Jacksons Fencing

Premier Trellis, as the name suggests, is Jacksons Fencings' premium Trellis range. Premier Diamond Trellis panels feature a strong planed timber frame, designed for use with slotted Jakposts®, so they can fit perfectly on top of a panel as a Trellis topper panel or directly on gravel boards at ground level as a full height screen.

- All timber used throughout is superior quality Jakcure® treated planed softwood guaranteed for 25 years.
- All fixings are stainless steel.
- Designed for use with slotted Jakposts®.
- Often used as a topper trellis on top of panels.
- Superior planed finish.
- Gravel boards are required where panels are in contact with the ground.

Specification

Panel Heights: 0.3m 0.43m 0.56m 0.94m 1.19m 1.45m 1.83m

Panel Width: 1.83m
